"...and ourselves your servants for Jesus' sake." II Corinthians 4:5b

You have a knack for creating a perfect space. Sometimes that means simply replacing a broken faucet or repairing a crack in a driveway. Other times, you dream of a modern-looking bathroom, a more efficient way to organize the mess of cookware in the kitchen cabinets, or a better way of accessing the highest shelf of the bookcase or pantry.

For over 40 years, Custom Service Hardware has been helping everyone from DIY-minded homeowners to large cabinet shops realize their visions for their homes and projects. We have poured countless hours into creating the best experience for you—providing a wide variety of hardware options, a robust and comprehensive website, the most competitive pricing on the market, informative video guides, and top notch customer service. We'll not only help you find exactly what you need, but also go above and beyond to answer your questions, give you advice, and help you in any other way possible.

CSH will help you take your vision for any project and make it a reality.

Mike Allen, CSH President

WE BELIEVE:

1. That our customers must be given the best possible service.
 2. That we must keep our operating costs as low as possible—to keep your savings as high as possible.
 3. That our business ethics must be consistent with the faith of the owners in Jesus Christ and His Word, the Bible.
- We invite you to write or call our president, Mike Allen. If what we do, does not match what we believe, **we will make it right.**

SHIPPING:

Merchandise will be shipped by UPS ground, SPEE-DEE (where available), FEDEX or common carrier. Most orders are freight pre-paid and charged on invoice.
Freight on orders shipping Ground from Jackson to destinations within the contiguous states will be charged a flat rate of 11% of the total sell price of the order (\$13.60 minimum freight charge). Truckline, COD, USPS and Spee-Dee shipped orders do not apply. The current quoted freight will be charged on these orders.
All hardware items, in stock, are shipped within 24 hours. If not in stock our staff will notify you of the expected delivery time. Out of stock items are placed on back order or alternate items will be suggested.
Shipment Tracking and Notification Supplied Via Internet and e-mail. Items over 96" length will incur an additional charge.

FOR RUSH ORDERS:

Expedited shipping is available upon request at additional cost.

BACK ORDERS:

We do our best to keep adequate supply of merchandise on hand, but we sometimes temporarily run short of an item. Freight on the back ordered items will be billed on the original order.

SHORTAGE & CONCEALED DAMAGES:

Must be reported within 48 hours of receipt.

DAMAGED SHIPMENTS:

You must note damage on the drivers log or delivery receipt, for UPS call for an inspection report.
(Keep original packaging and contents for inspection) 1-800-Pick UPS
Truck Line Shipments: You must have specific damage noted on all copies of the freight bill.

RETURN MERCHANDISE AUTHORIZATION:

Returns accepted within 30 days of order placement. All returned shipments must have a Return Merchandise Authorization (RMA) from Custom Service Hardware before they are returned. A Prepaid Return label will be provided with each RMA. A base 15% restock fee will be subtracted from the amount of all refunds. Unauthorized returns will result in a delay in processing and may be refused. Returns must be clean, in original boxes, un-assembled and in like new, sellable condition. Obsolete, discontinued or clearance items cannot be returned. Original shipping is not refunded. Dropship returns may incur restock fees.

CREDIT

We allow up to 3 weeks to process and issue any credit once return is received and approved.

SPECIAL ORDERS/CUSTOM

Special order products and tools are non-returnable unless goods are determined to be defective under the manufacturer's warranty. Cancellation of special-order products may result in fee.

ORDER INFORMATION:

Telephone toll free, 1-800-882-0009, and talk with one of our friendly, trained staff, and they will assist you in placing your order. Please use part numbers. Use our 24-hour FAX line to send your purchase order, (262) 375-7971. This will minimize your phone time and reduce communication errors. E-mail your orders to service@cshardware.com. Place your order on the web at www.cshardware.com. **Will call** orders should be called in one hour before pick-up to allow adequate time to process orders.

PAYMENT TERMS AND FEES:

COD: Sorry, no C.O.D. orders are accepted. Please use Discover, MasterCard, or Visa.
Credit terms: call or write our credit department (Sales of \$500.00 opening order and \$500.00 per month required for terms). CSH reserves the right to allow or terminate terms.
Returned checks are subject to a \$50.00 charge and account terms may be changed to Visa/MC or cash.
Sales Tax: We are required to collect sales tax on orders shipping to any state where Custom Service Hardware has Nexus unless we are provided with a valid exemption certificate.
Purchases made over the Internet or by other remote means are not necessarily exempt from tax in the state where you reside.
Many states require residents to pay the use tax to the state tax authorities. For more information and the appropriate forms and instructions, please visit your state's website.
Hazardous material charges will be added to invoice when applicable.

WARRANTY:

All products are produced to standard and commercial tolerances. We warranty products to be free from defects in materials and manufacturing. When we have determined that a product is defective, it will be replaced. At our discretion, a credit may be issued instead of a replacement. **No other warranty is implied, and we will disclaim any implied warranty including merchantability or fitness for a particular purpose.** Proof of purchase is required.

LIABILITY:

The customer shall be responsible for testing and verifying the suitability of the product for intended use. The customer assumes all risk and liability. Our only obligation is to replace or, alternatively, credit for the cost of the product proven defective. We shall not be liable for any other damages, whether incidental, indirect, special, punitive, consequential or otherwise.

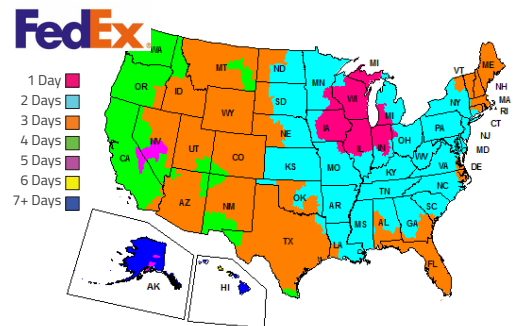

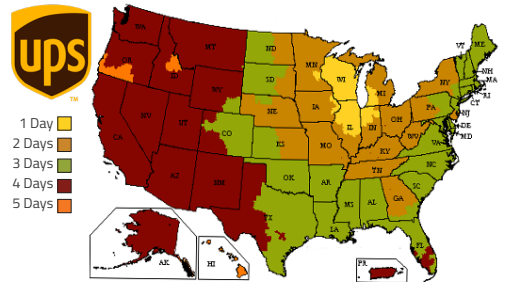

DISCLAIMER PLEASE READ!

PRICING INFORMATION:

Prices are subject to change without notice. We make every effort to avoid mistakes in our catalogs. However, should any errors appear, we reserve the right to correct them. In today's global economy, the price of raw material is constantly changing, which means that some of our pricing is constantly changing as well. We are always working to get the best price for you.

Drawer and cabinet specifications

Front view

Front view

NOTE: Material thickness may vary. Inside drawer width must equal opening width minus 42 for TANDEM to align and run properly.

Calculating outside drawer width					
For drawer side thickness	16 (5/8")	15 (19/32")	14 (9/16")	13 (1/2")	12 (15/32")
Deduct from inside cabinet width	10 (13/32")	12 (15/32")	14 (9/16")	16 (5/8")	18 (23/32")

Example: For 21" opening width and a 5/8" thick drawer, 21" minus 13/32" = 20-19/32" drawer width

AVENTOS Lift Systems

- Effortless Opening
- BLUMOTION Soft-Close
- Numerous Design Options
- Fast, Precise Installation

Easily order your AVENTOS lift systems online at www.cshardware.com/blum-aventos.

Blum AVENTOS Lift Systems

Blum AVENTOS lift systems are an innovative cabinet hinge solution which allows cabinet doors to easily lift up for convenient access to items inside, without disrupting your work in the kitchen. A great feature of these lift up cabinet door hinges is that they feature the BLUMOTION mechanism. AVENTOS cabinet door lifts are available in several design options for wooden cabinet doors, five-piece doors, as well as aluminum frame doors.

Due to the complex weight differences between cabinets, there is no one-size-fits-all solution for AVENTOS installation components. However, once you understand the options available and the different requirements, ordering your complete AVENTOS package is easy, using our online calculator and ordering form at www.cshardware.com/blum-aventos.

If you prefer to order the AVENTOS lift systems through the phone, call our experienced sales staff at **1-800-882-0009**. Please have your **door type, weight, and dimensions** available when you call!

HF Bi-Fold Lift System
 Height Range: 18" to 42"
 Width Range: 15" to 72"
 Application: Medium wall cabinets, tall wall cabinets

HL Lift Up System
 Height Range: 11" to 23"
 Width Range: 15" to 72"
 Application: Small wall cabinets, medium wall cabinets, appliance/garage cabinets
 Starting at: **\$219.39**

AVENTOS HK-XS Lift Mechanism - for use with BLUMOTION hinges

The AVENTOS HK-XS Lift Mechanism is one of our hot-sellers and offers a high level of design freedom for small top wall cabinets, thanks to its narrow style. Cabinets with low internal depths can be equipped easily above the kitchen stove or above the bathroom sink. The symmetrical lift mechanism can be used on one or two sides. When used on both sides, even larger, heavier fronts are possible.

Lift Mechanism

Part #	Description	Power Factor*	Each
B.20K1101	Lift Mechanism	17 - 60	\$18.72

Gas Spring Pneumatic Stay

To calculate which Pneumatic Stay* is right for your job (to get correct stay and number of stays:
F=6xWxH divided by 1,000

- **F** = Closing Force
- **W** = Weight of lid (2.2 lbs per KG)
- **H** = Height of lid in MM(25.4 MM per Inch) *If two Pneumatic Stays are used, divide F by 2

SKU	Closing Force	Each
54.SGS800.6	13 lbs	\$10.99
54.SGS800.8	17 lbs	\$10.99
54.SGS800.10	22 lbs	\$15.12

Extended Length of 11"

Lid Stay/Flap Stay

- Adjustable Tension
- 1-3/4" Minimum Frame Width
- Easy Installation
- For Left or Right Side Application
- Holds Door at any Angle
- Screws are Included

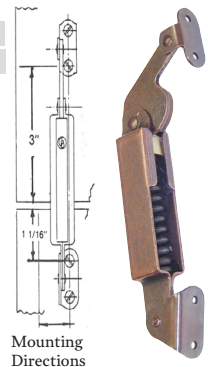

SKU	Minimum Cabinet Height	Product	Price
HA.373.66.612	10-1/6"	Duo Stay, Nickel Finish	\$13.55
HA.373.66.632	13-3/8"	Duo Forte Stay, Nickel Finish	\$19.55

Toy Box Closure

- To calculate the correct spring for your job, multiply one-half the distance (in inches from front to back) times the weight (in Lbs.) of the lid.
- Copper Finish
- Recommended Screws: 0.PPC08... or 0.TPC08...

Jigs & Handle Installation Guides

Self-Centering Drawer Handle & Knob Jig

Comes With Two Insert Guides:

Standard Insert: 3", 3 1/2" & 5" CC
Metric Insert: 64mm, 96mm, & 128mm CC
(Custom Insert Guide Available).

- Solid construction easily withstands the daily abuses
- Fits drawers that are 6 1/2" to 28 1/2" W & 3 1/2" to 14 1/2" H
- Comes with two extension paddles for drawers under 10 1/2" W
- Custom drill guides & longer arms are available upon request

999.DJ Handle & Knob Jig **\$365.00**

Cabinet Hardware Jig

The centered drill guide location for knobs is 1" to 5". The guide spacing for pulls is 2 1/2" to 5" CC.

- 3/16" Drill bit is required but not included.
- Adjustable guides for accurate hole placement
- Built-in measuring scales for repeatable results
- Versatile for mounting single and multi-hole knobs
- Adjustable edge guide for easy positioning
- Durable hardened-steel drill guides

KT.KHI-PULL **\$29.99**

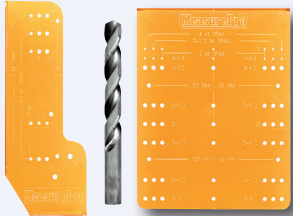

Door Hardware Jig

- Move the stops along the guide to the desired position.
- Tighten the thumb screws and drill. It allows for positioning of knobs or handles with a maximum of 12" CC down to 1 1/8" CC.
- It comes with one true-position drill guide, two sliding guides with thumb screws & one end stop with thumb screw.
- Reversible for left or right handed doors.

999.1934 TP-1934 Hardware Jig **\$249.00**
999.2312 Line-Boring Extensions **\$159.00**
999.5MMB 5mm Bit **\$14.99**

Knob & Handle Installation Guides for Doors & Drawers

- Two alignment guides for knobs & handles
- 3/16" Drill bit
- All standard handle spans
- Measure & mark for horizontal & vertical
- Accurate, inexpensive & simple

White River®

Mon Reale Mouldings

The Mon Reale Collection is made from a fine grain overlay contoured to solid Poplar moulding that ships unfinished and can stain or paint. Frieze and Panel Mouldings have a flat back.

Cornice Mouldings

Large Poplar Acanthus Leaf & Tongue 8 Ft. Crown Moulding

Actual Dimensions: $\frac{7}{8}$ " x 6";
Installed Dimensions: 4 $\frac{3}{4}$ " H,
3 $\frac{3}{4}$ " Projection; Pattern Repeats 7"
[WR.CM8801POP](#) **\$151.30**

Medium Poplar Acanthus Leaf 8 Ft. Crown Moulding

Actual Dimensions: $1\frac{1}{16}$ " x 4 $\frac{3}{4}$ ";
Installed Dimensions: 3 $\frac{3}{4}$ " H,
4 $\frac{3}{4}$ " Projection; Pattern Repeats 4 $\frac{3}{4}$ "
[WR.CM8810POP](#) **\$166.45**

Medium Poplar Acanthus w/Egg & Dart 8 Ft. Crown Moulding

Actual Dimensions: 1" x 6";
Installed Dimensions: 4 $\frac{7}{8}$ " H,
3 $\frac{3}{4}$ " Projection
[WR.CM8812POP](#) **\$146.78**

Poplar Egg & Dart 8 Ft. Crown Moulding

Actual Dimensions: 1" x 3 $\frac{3}{4}$ ";
Installed Dimensions: 3" H,
2 $\frac{1}{2}$ " Projection; Pattern Repeats 3"
[WR.CM8823POP](#) **\$122.19**

Petite Poplar Acanthus Leaf 8 Ft. Crown Moulding

Actual Dimensions: $1\frac{3}{16}$ " x 2 $\frac{3}{4}$ ";
Installed Dimensions: 2 $\frac{1}{4}$ " H,
1 $\frac{3}{4}$ " Projection; Pattern Repeats 2 $\frac{7}{8}$ "
[WR.CM8820POP](#) **\$97.34**

Please note: Any moulding 8ft or longer incurs a \$90+ oversize shipping fee. CSH can NOT modify length to avoid shipping charges.

Large Poplar Rope 8 Ft. Crown Moulding

Actual Dimensions: $\frac{3}{4}$ " x 4";
Installed Dimensions: 3 $\frac{1}{8}$ " H,
2 $\frac{7}{16}$ " Projection
[WR.CM8834POP](#) **\$102.52**

Hardware Fasteners

Hidden Fasteners

Tongue and groove boards are used in many ways for interior construction. This simple fastening system allows the tongue and groove boards to fulfill their intended tasks, without displaying exposed fasteners or nails. Instead of leaving nails exposed and susceptible to rust and wear, or tediously covering every nail hole with wood filler, use these hidden fasteners!

100 Interior Hidden Fasteners for Profile Boards with 10.5mm Groove Depth

FBS.4115-05-1

\$11.24

- Includes 100 10.5mm x 6mm tongue and groove clips and 100 3mm x 17mm phillips screws
- For safe installation of profile (tongue and groove) boards with a groove depth of 10.5mm
- For interior use
- Yellow-chromate coated steel
- Dimensions: 10.5mm hook depth x 6mm hook height
- Tested According to DIN 18168 standards
- Compatible with Home Depot 1-in. (23/32") T&G boards, and Menards 1" (23/32") T&G Carsiding WP4/116
- Coverage: 1 box = 50 square feet when used in combination with 6" T&G boards and 16" stud spacing

100 Interior Hidden Fasteners for Profile Boards with 8.5mm Groove Depth

FBS.4112-02-1

\$10.44

- Includes 100 8.5mm x 4mm tongue and groove clips and 100 3mm x 17mm phillips screws
- For safe installation of profile (tongue and groove) boards with a groove depth of 8.5mm
- For interior use
- Yellow-chromate coated steel
- Dimensions: 8.5mm hook depth x 4mm hook height
- Tested According to DIN 18168 standards
- Coverage: 1 box = 50 square feet when used in combination with 6" T&G boards and 16" stud spacing

26.02.096.WHITE	8' White Cover	50	\$4.93	\$4.20

UPS "over size" shipments

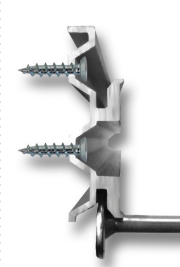

RocLoc, 1/2"

- Comes with ten 1/4" PowerHead Screws
- Easy to install
- Removable and reusable

FC.ROCLOC10PK RocLocs (10 pack) \$13.31

Smart Cleat 4' Length

The Smart Cleat allows you unlimited adjustment without shims and allows you to hang the panel only 1/16" from the ceiling to eliminate excess trim. Great for hanging panels, false walls or large frames. Fasten with powerhead

screws to provide a solid mount and shim-free adjustment.

- Smart Cleat
- 48" Long
- 1/4" Thick
- 1 7/16" Wide

Speed Brace Anchor for Metal Stud

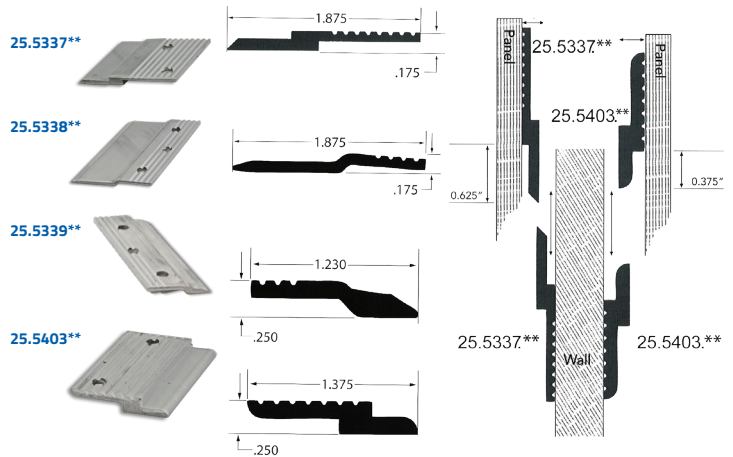

- Speed Brace Anchor for Metal Studs
- 2" Long
- Pack of 10
- Includes screws

FC.SB-ANCHOR10PC \$13.92

FC.SMARTCLEAT \$13.31

Drawer Front Adjusters

Allows for the full adjustment of drawer fronts. It is a smart and time-saving way to align drawer fronts!

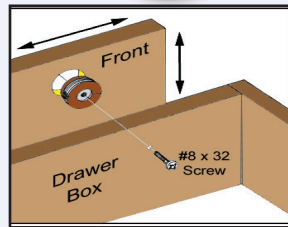

- Drill 20mm x 11mm hole in drawer fronts
- Press fitting in place
- Align box and front
- Two fittings recommended per front, two additional screws for final attaching

Drivers and Driver Bits

Whether for a quick fix or a major assembly project, the right driver bits can make the process a lot easier. It's always a good idea to keep a power drill nearby, and having high-quality driver bits is essential to getting the job done.

Micro FlushMount Drillbit System with Carbide Bit

FC.DB.CB.916.M	FlushMount Drill Bit, 9/16"	\$66.55
FC.INNERBIT.M	Inner Bit Replacement	\$6.67
FC.DB.18MM	FlushMount Drill Bit, 18mm	\$26.62
FC.DB.3/8	FlushMount Drill Bit, 3/8"	\$23.96

FLEX Bit Bag

The FLEX Bit Bag features clear pockets that fasten with hook & loop. This allows you to protect, separate, and organize your bits easily.

Includes: (6) Small pockets, (2) large pockets, & (1) wrench pocket.

FC.FLEXBITBAG **\$24.20**

Taper Lock Bit Holder

The Taper Lock is the first bit holder that really works! The harder you pull, the tighter it gets! It also features a one touch auto lock for easy release of the bit with one hand. It works with any bit.

FC.TLHB One Hand Operation **\$13.31**

CompX® Regulator Keyless (Push Button) Cabinet Lock

The Regulator is available in two versions: self-locking and manual locking. Self-locking features SlamCam, a spring-loaded latch, which allows the user simply to close the cabinet door or drawer with no need to return the knob to the locked position. The manual locking version, which uses existing CompX National cams, requires users to rotate the knob into the unlocked and locked positions. The Regulator is easy to install, use and maintain!

First Keyless, Invisible Cabinet Locking System

The Stealth Lock is easy to install and can replace your existing cabinet locks!

The radio frequency technology permits the Transmitter Pad to be stored anywhere, leaving no trace of visible hardware or signs of being secured.

Features & Functions

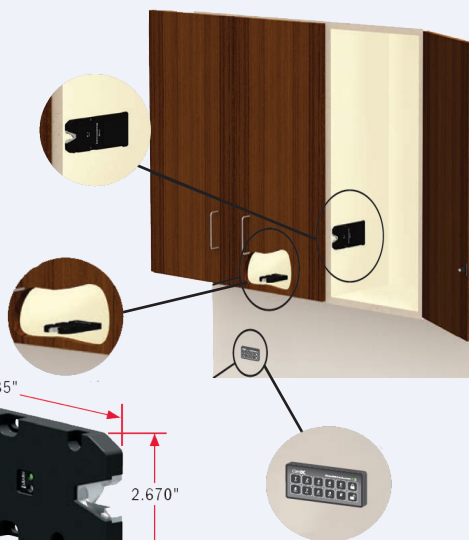

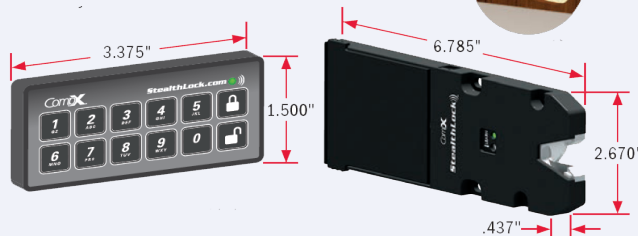

- One Transmitter Pad can activate an unlimited number of Receiver Latches
- Transmitter Pad operates within a 15 ft. range
- Separate user and supervisor codes (four to eight digits) to operate the lock(s)
- Receiver Latch is easily programmed by user through the Transmitter Pad
- Receiver Latch mounts within a 1/2" drawer suspension clearance
- Uses readily available batteries: Four AAA (not included) for the Receiver Latch and a CR2032 coin battery (included) for the Transmitter Pad
- Low battery indicator on Transmitter Pad & Receiver Latch

Applications

- Healthcare Cabinetry
- Lockers
- Kitchen Cabinets
- Office Furniture
- Entertainment Units
- Closet Cabinets
- Storage Space
- Liquor Cabinets
- Reception/Conference Room Furniture
- Retail Display Cabinets
- Audio/Visual Cabinets

Modes Available

- **Self-Lock Mode:** Allows the user to program the Receiver Latch to automatically re-lock after unlocking.
- **Passage/Manual Lock Mode** (factory default): User must manually lock.
- **Single Use Mode:** Allows the user to choose their code at the time of operation (recommended for shared or day use lockers/cabinets).

Speed Brace Features:

The heart of the Speed Brace is the 1 1/2" x 1 1/2" notching system that makes for fast and easy alignment after installing a level cleat along the wall. These braces offer a load capacity of 1,000 lbs per pair (on 16" centers.) Offered in 5 different sizes and 4 versatile colors, these Braces are also featured with holes for neatly routing wires or cables.

MAG SHIM 8 PC, POWERFUL MAGNETS

FC.MAGSHIMSTANDARD	\$30.25
FC.MAGSHIMMETRIC	\$24.20

Set blade height safely

Steel spacers in half-thicknesses

Stores easily

Mag Shims

Magnetic Spacers for the Shop

Non-marring plastic

High performance magnets keep shims together on your saw

Add or remove shims for exact spacing

Mag Shims are the easiest way to set blade height and fence spacing on your table saw. Simply stick the magnetic shims together to get a perfect setup in seconds! Also great for setting depth on drill presses. Available in standard or metric sizes.

Features...

- Set spacing quickly & easily
- Great for...
- Standard: 1/16" to 1-1/8"
- Table saws & drill presses
- Metric: 1mm to 14mm
- Setting router depth
- Spacing for layout projects

Inventor Brian Roesch

FastCap Pro Carpenter Tape Measure

The ProCarpenter Tape Measures are developed with 7 innovative features: lever action belt clip, pencil sharpener, dual locking system, erasable notepad, heavy-duty 1-inch blade, high-contrast tape and rugged compact design.

ChopShop Saw Hood

FC.SAWHOOD	ChopShop Saw Hood	\$241.85
FC.SAWHOODTC	Mounting Bracket	\$30.61

The Saw Hood was designed by a general contractor to eliminate the catastrophic dust problem created by miter saws. Sets up in seconds and contains 95% of dust. You will be amazed at how effective this product is. The Saw Hood Pro is identical in function to the Saw Hood but is made out of a spring steel so it can fit into a compact bag. If space is an issue, this is the tool for you.

Kreg® Products

Pocket Hole Tools

CSHardware offers some of the best drill jigs and pockethole machinery on the market. Famous for their high-quality and user-friendly products, Kreg provides tools that are sure to be the perfect fit for your project.

KT.KPHJ720PRO

\$149.00

Kreg Pocket Hole Jig 720PRO

The Pocket-Hole Jig 720PRO is our ultimate joining set up and it's the premium choice for project builders who want a full suite of 700-Series tools and accessories in one package.

The 720PRO brings you everything you need to get building and keep building.

With the Pocket-Hole Jig 720PRO, you get the Kreg Docking Station material support wings with a repeatable stop, a Pocket-Hole Jig Clamp, 160 Kreg pocket-hole screws, and a free project plan so you can start building right away.

Mini Kreg Jig Kit

Includes: Mini Kreg Jig, 3/8" Step Drill Bit (KT.KJD), Depth Collar and Allen Wrench (KT.KJSC).

Band Saw Fence
Features: Quickly mounts to most 14" tables; fence removes in seconds; can adjust for blade drift.
KT.KMS7200 \$139.00

Precision Trak & Stop System
Features: Flip stop for single cuts and production stop for repeated cuts on your miter or radial arm saw; eight total feet of track; easy installation.
KT.KMS8000 \$159.00

Klump Table w/Steel Stand

KT.KCT-COMBO

\$449.99

Whether you're joining, sawing, sanding, or routing, having a table that was designed and built with clamping as its primary focus makes all the difference in the world.

Includes:

- Two 3" (76mm) bench clamps with auto-adjust technology.
- Durable melamine surface that resists glue and is easy to clean.
- Two lengths of clamp trak that allow easy clamp positioning.
- Five Clamp Blocks which make it easy to square up assemblies.
- Multi-purpose shop stand.

Router Table

Features fast and easy assembly, a universal steel stand, heavy gauge steel construction 29" to 35" height adjustability, stable leveling feet, and a durable painted finish.

Note: Does not include casters.

KT.PRS1045

\$599.99

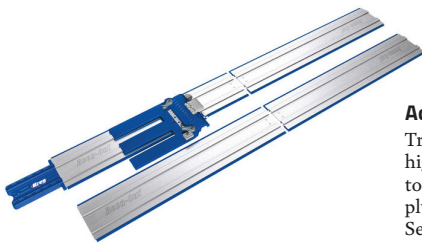

Precision Beaded Face-Frame System

The fastest, easiest, and most affordable way to build beaded face-frames in a home shop. Features an adjustable integrated clamp, control arm, sliding base, and router table stop.

KT.PRS1200

\$449.99

Accu-Cut™ XL

Transform your circular saw into a high-performance, track-guided cutting tool for breaking down full sheets of plywood with cuts up to 100" long. Set your projects up for success by making straight, accurate, splinter-free cuts with the Accu-Cut™ XL Circular Saw Track Guide. It rips, crosscuts, and makes angled cuts up to 100" long in plywood, MDF, and other large panels with accuracy and control.

KT.KMA.3700

\$179.99

The Accu-Cut™ XL guides your circular saw along an extended-length aluminum track that holds the saw steady and keeps your cuts straight. The track guide is designed for simplicity: just mount your saw to the Universal Sled, align the Accu-Cut™ XL track to the cut line, and make the high-quality cuts you need. The anti-chip guide strips prevent splintering and tearout through the entire length of your cut. The same strips also feature an anti-slip surface that holds the track in place without clamps.

LEFT- OR RIGHT-BLADE
Mount almost any circular saw to the Universal Sled

Kreg In-Line Clamp

The In-Line Clamp gives you the helping hand you need, when you need it, with the versatility and power you want for a wide variety of do-it-yourself and woodworking tasks. The clamp applies up to 250 lbs. of clamping force and swivels to clamp from any angle on almost any shape workpiece or assembly.

KT.KBCIC

\$24.99

Cleaners, Lubricants, & Laminate Supplies

Cleaners & Lubricants

Bostik Cleaners & Lubricants

GlideCote Table & Tool Surface sealant dramatically reduces sliding friction on table saws while repelling dust, dirt, and moisture. Contains no silicone or petroleum.

BladeCote creates a clear, tough, thin coating on any blade or bit. It reduces friction, extends blade life, and allows your blades and bits to create cleaner, truer cuts.

Bearing Lubricant protects your tools and equipment from dirt and moisture. Not only does it withstand heat and pressure that would vaporize normal bearings, but it also penetrates bearings and extends their life!

SKU	Type	Vol	Case Qty	Price Per Each

Bits

Freud Tools consistently strives for perfection in cutting tool performance. They meticulously analyze every detail of the woodworker's needs and requirements enabling them to design and produce superior, tailored solutions.

Freud 16pc Forstner Bit Set

Features: Razor-sharp serrated edges give smooth and flat-bottom holes; forged construction for extended life; ultra sharp spur to ensure accurate starting hole. Steep angled cutting edges produce holes that are smooth and flat and create "chisel-like" curls for fast, clean chip removal.

Includes: 16-piece set (1/4"-2 1/8")
FT.PB-100 \$310.47

Freud Brad Point Boring Bit

SKU	Description	Price
900.235715	15mm Boring Bit-RH	\$18.71
Freud		
FT.BP10057L	10mm Boring Bit-LH	\$21.93

FT.BP50057L	5mm Boring Bit-LH	\$13.57
FT.BP50057R	5mm Boring Bit-RH	\$13.57

Features:

- Unique cutter geometry to eliminate tearout.
- Top portion of cutter, including bearing and spindle, is removed to produce the front of the long tenon profile.
- TiCo™ Hi-Density Carbide to maximize bit life and material finish.
- Perma-SHIELD® coating reduces heat & pitch build-up from rust.

1/4" (Dia.) Solid Carbide Flush Trim Bit

1/4" Dia x 1/4" Shank x 1/4" H
 Solid micrograin carbide extends the cutting life and the self-piloting feature eliminates the expense/upkeep of a ball bearing assembly. Cuts all plastic laminates.

*Maximum material thickness

Bessey Auto-Adjust Inline Toggle Clamp

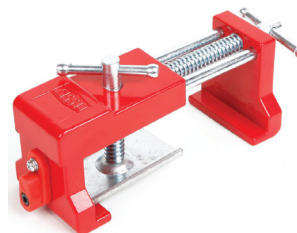

The Inline Toggle Clamp auto-adjusts to variations in work piece height from 0-16mm (approx 5/8"). Its base construction is optimized for 1/4" (M6) fasteners, and the plunger has an M8 thread. Features a horizontal push pull profile.

SKU	Max*	Price
BT.STC-IHH25	1"	\$33.94

*Maximum material thickness

Bessey Face Frame Clamp w/4" Clamping Capacity

Heavy duty stell clamp with steel sliding T-bars. Use 1/8" bit for pilot hole (not included).

Throat Depth: 2"
Clamping Force: 300-600 lbs.

BT.BES8511 **\$34.19**

Bessey Pipe Clamps

H Style		
BT.BPC-H34	3/4" Black Pipe Diameter	\$22.61
BT.BPC-H12	1/2" Black Pipe Diameter	\$19.30

Traditional Style Features: A large clamping surface, ACME threaded screw, hex head on the spindle.

Traditional Style		
BT.PC34-2	3/4" Black Pipe Diameter	\$21.54
BT.PC12-2	1/2" Black Pipe Diameter	\$18.47

H Style Features: "H" Shape foot assembly stabilizes clamp in two dimensions giving dual-axis stability.

Bessey K Body REVO Parallel Clamp

Wherever high pressure clamping, 90 degree clamping, or powerful spreading is required the new BESSEY® K Body® REVO™ clamp is the ideal tool. With clamping forces up to 1500 lbs., 30% larger clamping surfaces, and sensible accessories this clamp can do the job. The BESSEY® K Body® REVO™ is also suited for accurate adjustment of corners and offset edges.

AI.WE2GKR 2 Gallons \$199.50

LiquidWood Kit

LiquidWood is ideal for regenerating and waterproofing rotted, dried-out or spongy window sills, window and door frames, columns, stair steps, moldings, doors, boats, and more! LiquidWood is also a primer for WoodEpoX.

AI.LWAB6OR 12 Fl. Ounces \$27.75

AI.LW2PKR 2 Pints \$55.75

AI.LW2QKR 2 Quarts \$89.90

AI.LW2GKR 2 Gallons \$229.90

Wood Restoration Kit

LiquidWood reinforces, rebuilds and waterproofs wood by hardening after penetrating. Regenerates rotted structural and decorative parts. Wood-

EpoX is a structural adhesive putty. It is the most versatile, high-strength, no-shrink adhesive paste to fill, repair and replace wood and other materials in structures, walls, and more.

Includes 2 Qt. Liquid Wood & 2 Qt. Wood EpoX

AI.WR4QKR 1 Fl. Gallon \$157.95

Includes 12 Oz. Liquid Wood & 12 Oz. Wood EpoX

AI.WRK6OR 24 Fl. Ounces \$49.75

Concrete Restoration

Aboweld

Fill cracks, replace missing concrete, and permanently bond concrete and most rigid materials. Restore columns, walls, ceilings, foundations, pools, rails, stair, risers and treads, sculptures, and more. Also great for installing machinery, posts, precasts, and other structural components.

AI.5512QKR \$81.10

Abocrete

Repairs plant floors, loading docks, sidewalks, driveways, stairs, parking decks, and ship docks

permanently and cost-effectively. Perfect for fixing pitted, spalled, worn or cracked concrete.

AI.ACKSR-LG \$48.85

Krack Kote

Make invisible, permanent repairs to cracked walls and ceilings. Krack Kote can be used on drywall, plaster, stucco, wood, concrete, and cement block

AI.KRACK \$19.90

Tread Spread Slip-Resistant Epoxy Coating, Slate Gray

Tread Spread is a spreadable epoxy coating that includes a slip-resistant aggregate. Simply mix and spread wherever additional traction is needed. Bonds tenaciously to concrete, wood, metal, fiberglass, and most rigid surfaces. Use on wet, dry, and underwater surfaces. High-traction and easy to apply. Much more durable and long lasting than tapes. Exceeds OSHA and ADA recommendations for slip resistance in both wet and dry conditions. Coverage is 12 square feet x 1/8" thickness per gallon.

AI.TS2PK-PD 2 Pints \$49.50

AI.TS2GK-PD 2 Gallons \$197.90

Spaceballs & Synergy Panel Spacers

Ball Insertion Gun

Compatibility Information

- Works with .260" & .232" Space Balls or Synergy Spacers
- Works in grooves down to .210"

It's faster

Just pull the trigger and a ball is inserted!

It's friendlier

New ergonomic design means less fatigue & more productivity.

Instantly neater

Balls end up in your **door**, not on the **floor**!

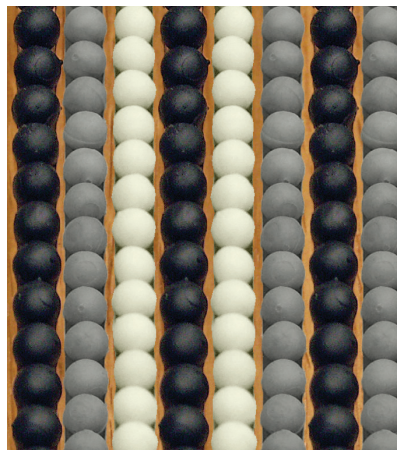

Features:

- Easily and accurately insert balls into your doors
- Pneumatic action is easy on your door's surface
- Every pull of the trigger inserts a ball right where you need it
- Replacement parts available, call for details

SPACEBALLS&SYNERGY PANEL SPACERS

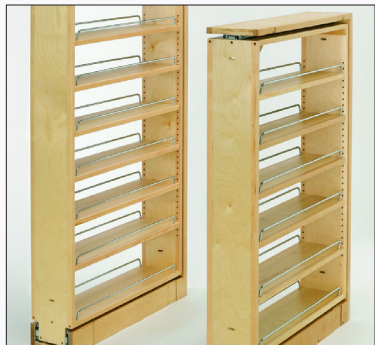

Kitchen Accessories

Fillers & Pullouts

Stackable, Pantry-Filler Pullout Organizer with Adjustable Shelves

Four Units (Two on Each Side) in the Above Display

Create a pantry behind those decorative panels with these Tall 432 fillers. Available for 6" applications, the 432TF Series comes in 39" and 45" heights and can be used alone or in conjunction with others to meet your 84", 90", or 96" height requirements. A beautiful addition to any kitchen; each unit features adjustable shelves (5 for the 39", and 6 for the 45") with chrome rails.

Features:

- 6" Wide Filler Pullout
- (5) Adjustable shelves for the 39" H pullout
- (6) Adjustable shelves for the 45" H pullout
- Limited lifetime manufacturer warranty
- Simply add your own cabinet front
- Stack 2 together for taller applications
- Comes ready to be installed in-between cabinets (with new cabinet installation only)
- NOTE: This product ships truckline

Our process at Century is different. We don't rely on overseas factories to make accessories for us; we make them ourselves in the United States. That allows us to do our own designing, crafting, and finishing in house; which means we control our own quality. You can have confidence that our products deliver what you are looking for! We also don't mass produce. We don't have rows of automated machinery; but we do have dedicated workers with a solid work ethic, making your products by hand at individual work benches and they are finished with a 60-sheen conversion varnish. The results are stunningly crafted pieces that you will love and have in your home for years to come.

Multiple attachment options

Works great for automotive work

Easy to use in any situation

The Flex Light is the most versatile lighting system you will ever own! It clamps, hangs, and magnetically sticks anywhere. The rechargeable and cordless technology allows you to work on any project that requires lighting with no struggle. The rechargeable battery lasts 7 to 8 hours or can be plugged in for endless illumination.

Features...

- Rechargeable LED light
- 2 brightness options
- 4 mounting options
- Lasts 7 to 8 hours

Great for...

- Illuminating
- Work Spaces
- Saw Hoods
- Doorways
